TOTAL INVESTMENT RECOGNITION:

We will combine all dollars invested into BIA marketing from these three programs and increase your P2 Level of Recognition, which will increase the size of your logo at events and all BIA P2 collateral. Your **original** P2 level will determine your benefits, but your logo will be placed at the higher total level of recognition.

For more information, or to return this form with your choice of commitment, please send to:

Casey Biltucci, Director of Membership & Sponsorships casey@biasandiego.org P: (858) 514-7027

These marketing opportunities **DO NOT INCLUDE** your membership dues (invoiced separately).

Partnership Program (P2)

As part of your P2 Commitment, half of your sponsorship dollars come back to you as pre-paid event credits.

This "bank" of credit may be used for registrations for any of our events throughout the year. This aspect minimizes company credit card transactions/expense reports during event registration process.

We do not permit carryover of unused credits, nor can we refund any credits, as those are committed to event production.
