

2025 LEGAL UPDATE

NEW H.R. LAWS FOR CALIFORNIA EMPLOYERS

This course will provide an overview of the most significant new California laws for 2025 as well as practices your company can implement to comply with those laws. Learn about recent legal developments in employment and labor law. Learn about proactive actions to prevent employee grievances, legal actions, and internal conflicts. Learn about recent legal developments in prevailing wage law and workplace harassment and discrimination. Explore top strategies to minimize HR risks, maintain legal compliance, and secure your business's future amidst these ever-evolving laws.
