

BUILD SD POLITICAL ACTION COMMITTEE

# OVERVIEW OF THE *Region*

In what cities does the building industry enjoy strong support? What cities are making it more difficult to build new housing? What cities have elections where the balance could change, positively or negatively?

Join Build SD PAC as we take a look at the upcoming elections throughout San Diego County and highlight where our members can have the greatest impact. Listen as the leading builders of our regional councils share insights into how we can build influence.
