

ADU FIRE REQUIREMENTS

Aligning on Safe, Clear, & Predictable Standards

As ADU activity continues across San Diego County, builders and fire agencies are working together more closely than ever. This session is designed to foster constructive dialogue around how fire requirements are applied to ADU projects and how early clarity can support both safety and housing delivery. Our goal is to create space for open conversation, shared understanding, and alignment on practical compliance pathways.

WHITNEY HILL

SnapADU, CEO

JEFF LANDON

*Symons Fire Protection,
Business Development Manager*

FIRE OFFICIALS PANEL

Confirmed participation from multiple fire agencies across San Diego County. Fire officials will participate in a moderated panel discussion and Q&A session.

APRIL 16TH
9:00 AM - 11:00 AM
BIA SAN DIEGO OFFICE

*9201 Spectrum Center Blvd., Suite 110
San Diego, CA, 92123*

BIA MEMBERS: \$40
NON-MEMBERS: \$55

Partnership Program (P2) & Builder Comp credits can be applied

WHY ATTEND?

- *Hear directly from fire officials about how requirements are being interpreted*
- *Better understand expectations before plans are submitted*
- *Strengthen coordination between industry and agencies*
- *Support safe, efficient, and well-aligned ADU development*
